MEMORANDUM OF POINTS AND AUTHORITIES

On September 17, 2015, counsel for Mr. Anderson filed a Motion for a Court Order to Subpoena Pen Register/Trap and Trace with Subscriber & Cell Site Location Information. (CR # 18.) Thereafter, the government began to produce the items sought by the motion. It now appears that the government has provided the undersigned with all of the items sought by the motion, except the government continued to redact certain information.

It does not appear at this moment that the redacted information is necessary to determine whether Mr. Anderson has a possible *Franks* motion based on the Declaration seeking the pen registry, trap and trace, and cell site location information. Thus, in consultation with the government, the undersigned agreed to withdraw the request for a court ordered subpoena. Because the government voluntarily provided the necessary information sought by the motion, this Court should grant the motion to withdraw without prejudice.

DATED this 27th day of October, 2015.

Respectfully Submitted,

RENE VALLADARES
Federal Public Defender
